With Alluserv you are not just buying a product. You are receiving our team's service commitment to get the most value from your investment in our products. We will provide you with:

- A team of knowledgeable experts with over 100 years of combined experience to help you understand and receive the most from your product throughout its service life
- Detailed instructions and specification on cleaning and application to best maintain your equipment
- A national service network and service manuals for our extensive product offering.

BANQUET CARTS

APPLICATION

The Alluserv Aluminum Queen Mary cart's large capacity makes transportation of material or goods faster.

CONSTRUCTION

Ideal for tray service and banquet setups these carts are constructed of stainless steel and made to last for years. Decide between units with all edges down on the shelves for easy loading and unloading or a cart with edges to protect from accidents while in transportation. The unit has extended perimeter bumpers to protect furnishings.

Warranty

- One year parts and labor

Banquet carts
