With Alluserv you are not just buying a product. You are receiving our team's service commitment to get the most value from your investment in our products. We will provide you with:

- A team of knowledgeable experts with over 100 years of combined experience to help you understand and receive the most from your product throughout its service life
- Detailed instructions and specification on cleaning and application to best maintain your equipment
- A national service network and service manuals for our extensive product offering.

CHOICE ROOM SERVICE CART

APPLICATION

The room service cart is designed for transporting trays in units to provide "room service" style meals. The all stainless steel cart features fixed tray slides with 5-1/4" spacing. This cart will accommodate 1-tray per slide for the following 14"x18", 15"x 20" and small room service trays.

CONSTRUCTION

Alluserv room service carts are fabricated with 1" square tubing frame with welded 18-gauge pre-formed side panels/tray slides. The top, bottom and single panel door are 18-gauge stainless steel. The door comes standard with a recessed door pull and features magnets and a transport latch to keep the door closed. The door has a 270° door swing with magnets to keep the door in an opened position.

Casters are 6" in diameter, with 2-fixed and 2 swivel with brakes, and will be 2" rounded with soft tread to ensure a smooth and quiet ride for carpet or tile.

Standard Features
