With Alluserv you are not just buying a product. You are receiving our team's service commitment to get the most value from your investment in our products. We will provide you with:

- A team of knowledgeable experts with over 100 years of combined experience to help you understand and receive the most from your product throughout its service life
- Detailed instructions and specification on cleaning and application to best maintain your equipment
- A national service network and service manuals for our extensive product offering.

SOLID TOP COUNTER

APPLICATION

The Evolution Series counters can support any tray line layout and are versatile enough to use in any format. Whatever your needs are Alluserv can help furnish them.

CONSTRUCTION

The Solid Top Counter is constructed with heavy-duty gauge stainless steel and is equipped with stainless steel countertops as standard, as well as a stainless steel under shelf. The front panels will be easily removable and replaceable, allowing front service access. The body will be reinforced with vertical galvanized steel channel supports.

Options

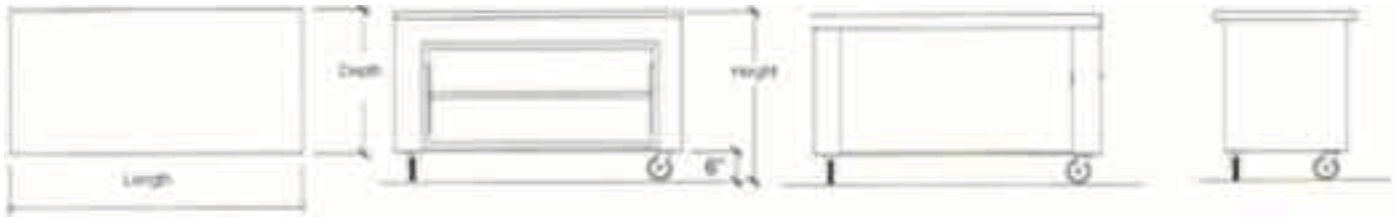

- Drop down work shelf
- Hinged door
- Door locks
- Flush mounted duplex outlet
- Pedestal mounted duplex outlet
- Stainless steel legs in lieu of casters
- Beverage line cut outs

Warranty

- One year parts and labor

Evolution Series

Solid Top Counter

COUNTERTOP

The top will be 32 1/2" wide and made-up from stainless steel with square turndown on all sides and corner fully welded, ground and polished.

CASTERS

The unit is mounted on 5" ball bearing, swivel type casters with brakes on all wheels. The casters will be mounted through two stainless steel channels for extra rigidity.

STORAGE COMPARTMENT

Storage compartment is made of 18-gauge stainless steel. The liner will have covered corners and removable top panels to allow for service access.
