With Alluserv you are not just buying a product. You are receiving our team's service commitment to get the most value from your investment in our products. We will provide you with:

- A team of knowledgeable experts with over 100 years of combined experience to help you understand and receive the most from your product throughout its service life
- Detailed instructions and specification on cleaning and application to best maintain your equipment
- A national service network and service manuals for our extensive product offering.

## URN STAND COUNTER

---

### APPLICATION

The Evolution Series counters can support any tray line layout and are versatile enough to use in any format. Whatever your needs are Alluserv can help furnish them.

### CONSTRUCTION

The Urn Stand Counter is constructed with heavy duty gauge stainless steel and is equipped with stainless steel counter tops as standard, as well as a stainless steel under shelf. The front panels will be easily removable and replaceable, allowing front service access. The body will be reinforced with vertical galvanized steel channel supports.

### Options

---

- Drop down work shelf
- Hinged door
- Door locks
- Flush mounted duplex outlet
- Pedestal mounted duplex outlet
- Stainless steel legs in lieu of casters

### Warranty

---

- One year parts and labor

## Evolution Series

# Urn Stand Counter

### COUNTERTOP

The top will be 32 1/2" wide and made-up from stainless steel with square turndown on all sides and corners fully welded, ground and polished. The top, also, will contain a beverage drain trough as standard.

### CASTERS

The unit is mounted on 5" ball bearing, swivel type casters with brakes on all wheels. The casters will be mounted through two stainless steel channels for extra rigidity.

### STORAGE COMPARTMENT

Storage compartment is made of 18-gauge stainless steel. The liner will have covered corners and removable top panels to allow for service access.
