

Redefining Healthcare Food Service

With Alluserv you are not just buying a product. You are receiving our team's service commitment to get the most value from your investment in our products. We will provide you with:

- A team of knowledgeable experts with over 100 years of combined experience to help you understand and receive the most from your product throughout its service life
- Detailed instructions and specification on cleaning and application to best maintain your equipment
- A national service network and service manuals for our extensive product offering.

CHOICE TRAY CART

APPLICATION

The Alluserv tray delivery cart is designed for transportation of patient meals to decentralized locations. The all stainless construction cart features fixed tray sides, 5-1/4" tray spacing that accommodates two each 14"x18", 15"x20" or room service trays per side.

CONSTRUCTION

The Alluserv tray cart has a 1" thick 18-gauge stainless steel tubular frame with welded, 18-gauge, pre-formed side panels/tray slides. Top, bottom and single panel door are 18-gauge stainless steel. Door has recessed door pull with a top mounted heavy-duty drop door latch. The door has a 270° swing.

Casters are 6" in diameter, with 2 fixed and 2 swivel with brakes, and are 2" rounded with soft tread to ensure a smooth and quiet ride for carpet or tile.
